229. Student Fundraising	
1. Purpose	The Board acknowledges that solicitation of funds from students must be limited because compulsory attendance laws make the student a captive donor and such solicitation may disrupt the educational program.
2. Definition	For purposes of this policy, student fundraising shall include solicitation and collection of money by students in exchange for goods or services.
3. Authority	The Board prohibits the collection of money by a student for personal benefit in intermediate unit buildings, on intermediate unit property or at any intermediate unit-sponsored activity.
4. Delegation of Responsibility SC 511	<p>Collection of money by approved intermediate unit organizations may be permitted by the Executive Director.</p> <p>Collections by students on behalf of intermediate unit organizations outside the intermediate unit program may be permitted only by the Board.</p> <p>The Executive Director or designee shall establish rules and regulations to implement this policy.</p> <p>The building administrator or program supervisor shall distribute this policy and relevant procedures to each student organization granted permission to solicit funds.</p>
