

OFFICE OF PROFESSIONAL LEARNING

— May 2024 Education Bulletin —

Welcome to the May 2024 edition of the **Luzerne Intermediate Unit (LIU) Office of Professional Learning's (OPL)** monthly education bulletin. This special edition of the OPL Education Bulletin will focus on Remake Learning Days (RLD). From May 2nd to May 22nd, RLD asks centers of learning to open their doors to allow families to learn together. Students, along with their caregivers, can explore interactive learning events like building robots, inventing with 3D printers, experiment like a scientist, explore student voice, or even create their own art or music, and much more.

REMAKE LEARNING DAYS

LEARNING THEMES

Each RLD event is aligned to a learning theme to better inform participants of the general goal of each planned community event. There are five STEAM-driven learning themes for families plus an additional theme specific to professional development for educators.

ARTS is hands-on learning and expression through all kinds of art: theatre, dance, visual art, music, photography, and more!

MAKER "Making" is about taking things apart and putting it back together. Tinker, build, and create with all kinds of materials. Try a 3D printer, take apart a toy to see what's inside and then rebuild it, or create a marshmallow tower!

OUTDOOR LEARNING is about experiencing and learning about the natural world. How can we think about the environment, sustainability, and more by exploring our very own backyards?

SCIENCE is all about experimentation! Kids and adults can explore chemistry, biology, geography and more. How does our world work? What can we test and explore in the world around us?

TECHNOLOGY gives kids the chance to explore their digital world. Want to try coding? Build robots? Learn circuitry? Look for technology events that help you discover new things.

YOUTH VOICE is about youth leadership and amplifying youth voice. Youth have the ability to express themselves in so many ways such as: through audio, video, art, music, and more.

RLD EVENTS

EVENTS HAPPENING IN OUR LIU REGION

Remake Learning Days is comprised of regions that encompass the entirety of Pennsylvania. The Luzerne Intermediate Unit is the regional lead of the Northeast PA Remake Learning region, and it includes the Berks, Carbon Lehigh, Colonial, Luzerne, and Northeastern Intermediate Units. Combined, these regions are hosting over 100 events during the month of May. The following are a small sample of these events:

Pittston Memorial Library Remake Learning Day

Thu, May 2, 4:00-7:00 pm

Ages: Age 5-13

Hosted by: Pittston Area School District

City: Pittston

Unlock the world of innovation at our learning stations, where art meets science and technology, from robots to 3-D printers, all through fun problem-solving activities!

<https://remakelearningdays.org/event/northeasternpa/pittston-memorial-library-remake-learning-day/>

Northwest Area Environmental Day

Sat, May 4, 9:00-11:00 am

Ages: All Ages

Hosted by: Northwest Area School District

City: Shickshinny

Adventure awaits on our trails! Join student Watershed wizards for a morning of fun and learning about our planet's water secrets

<https://remakelearningdays.org/event/northeasternpa/northwest-area-environmental-day/>

Ride The STEM Wave at the Lighthouse Academy

Tue, May 7, 9:30 am-11:00 am

Tue, May 7, 12:30-2:00 pm

Ages: Age 5-18|Adult

Hosted by: Lighthouse Academy - LIU 18

City: Wilkes-Barre

Kick off summer with a splash by diving into beach-themed STEM projects, where students and parents can surf the waves of learning together!

EVENTS HAPPENING IN OUR LIU REGION

Animal Architects

Thu, May 9, 4:00-5:00 pm

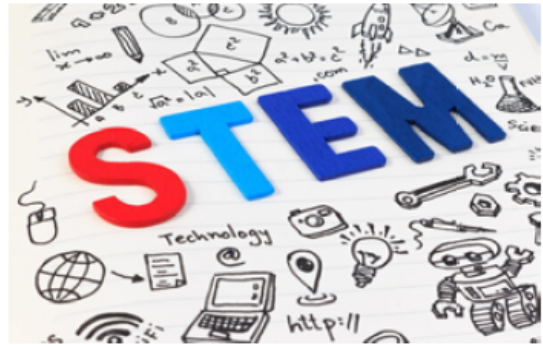

Ages: Age 5-10

Hosted by: Vosburg Neck State Park-DCNR

City: Tunkhannock

Discover how animals are master architects and unleash your creativity by building your very own animal habitat

<https://remakelearningdays.org/event/northeasternpa/animal-architects/>

STEM Fair at Wyoming Area Secondary Center

Sat, May 11, 10:00 am-12:00 pm

Ages: Age 5-10

Hosted by: Wyoming Area Secondary Center

City: Exeter

Be part of our community event filled with STEM activities and demonstrations, offering hands-on learning experiences for both parents and students!

<https://remakelearningdays.org/event/northeasternpa/stem-fair-at-wyoming-area-secondary-center/>

Plant Propagation with PSU Master Gardeners

Wed, May 8, 5:00-7:00 pm

Ages: Adult

Hosted by: Pittston Area School District

City: Pittston

Green thumbs unite! Join us for a hands-on workshop to learn the art of plant propagation

<https://remakelearningdays.org/event/northeasternpa/plant-propagation-with-psu-master-gardeners/>

Atlatl Action & Primitive Fire Starting

Sat, May 11, 1:00-2:30 pm

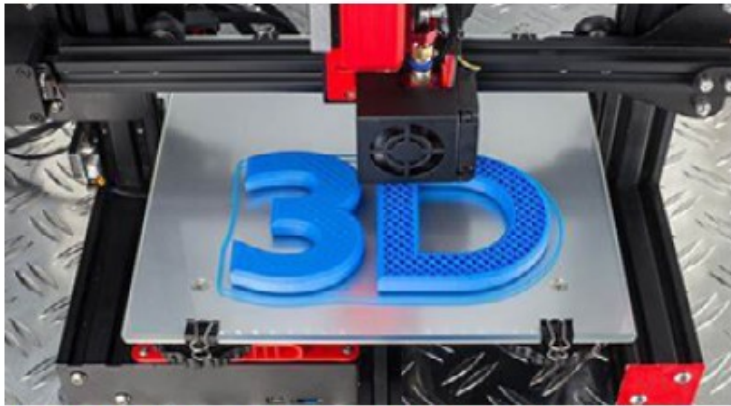

Ages: 11-18|Adult

Hosted by: Frances Slocum State Park

City: Wyoming

Travel back in time and test your skills with primitive tools—see how far you can launch an atlatl dart and spark a fire using flint and steel!

<https://remakelearningdays.org/event/northeasternpa/atlatl-action-primitive-fire-starting/>

Abracadabra! The Manufacturing Magic Behind 3D Scanning & Printing

Fri, May 17, 9:00 am-12:00 pm

Ages: Age 11-13

Hosted by: NEPIRC's Manufacturing Ambassador Dream Team

City: Hanover Township

Get ready to dive into the magic of 3D scanning and printing with recognizable objects to cool local products, plus hands-on fun!

<https://remakelearningdays.org/event/northeasternpa/the-manufacturing-magic-behind-3d-printing/>

Star Wars STEM

Sat, May 18, 1:00-3:00 pm

Ages: All Ages

Hosted by: Hazleton Area Public Library

City: Hazleton

Join us at the library to supercharge your STEM skills with exciting Star Wars-themed activities that will take you to a galaxy far, far away!

<https://remakelearningdays.org/event/northeasternpa/star-wars-stem/>

YES! (Your Economic Success) – Greater Nanticoke Area

Wed, May 22, 8:00 am-11:00 am

Ages: Age 11-13

Hosted by: Junior Achievement of Northeastern Pennsylvania

City: Nanticoke

Have a blast with activities covering careers, STEM, teamwork, cool jobs, interviewing tips, and money smarts!"
